25X1 Airfield of NEUSTRELITZ

[redacted]

1. [redacted] only infantry and tank training was conducted at the former German NEUSTRELITZ (N 54/V 54) glider field, located near the large and small Buergersee and at the adjoining extensive drill ground.

25X1

25X1

2. Shortly after the war some Soviet biplanes landed there once. Since that time there was been no flying at the field. The corrugated sheet metal cantonment buildings had been dismantled.

3. Comment:

The report is considered credible since no information concerning the occupation of the airfield by an air unit has been received.
